The KIDS Room  
Autumn / Winter 2018

# *Room for chaos and calm.*

In the company of your best teddies and friends, the kids' room is the place where you can invent your new favourite game and colour outside the lines. Building caves of pillows and castles of dreams; the playful world of a kids' room is only defined by the boundaries of childish creativity.

The first steps, their little toes, the funny things they say – each glimpse of the fantastic early years of childhood makes a memory for a lifetime.

A seahorse is one of the slowest fish in the sea; but as a music mobile, it's one of the sweetest. The Fruiticana Seahorse Music Mobile unlocks the doors to the fantastic world of life under the sea as it hangs above the cot or the nursing station. Pull the string and let it lull your baby to sleep, playing the classic Brahms' Lullaby.

The box contains: A letter from the parents, an envelope for the first hair-cut, a cotton bag for the first pair of shoes, a little match-box for the first teeth, a tape measure to track the size of the child, a cotton bag for the favourite pacifier, and a match-box to keep funny little quotes for the future. Also, the box has sheets to make a print of the small pair of feet and hands, as well as notebooks for observations, notes, and thoughts you'd want to remember.

## The Beginning of My Life Box \_ p. 73

Growing up is something so fantastic that you'll want to treasure each step of childhood. That's what the memory box is made for. With little boxes, envelopes, cotton bags and notecards to keep each little memory of your kids' start in life safe. We want it to be a lovely experience to document your first memories together, so we created the box with freedom and personality as the principle: Make of the box what you wish it to become with plenty of room to show who your family is.

#### Planet Wall Lamp - Smoked Oak \_ p. 78
