# LEANDER LUNA™

Simple as child's play. That's the idea behind the furniture line, Luna™, uniting our Nordic design heritage with our love for the playful nature of children. The floating appearance of the design combined with unique details and a solid quality will make everyday life feel like child's play. Both for the child and its grown-ups. Not just today but for many years to come.

With Luna™, we aim to make beautiful furniture design accessible to as many people as possible. The Luna™ line has its own unique shape and edge. The stringent lines and the elegant balance between body and legs add a lightness to each piece of furniture. A lightness that fits both the child and its grown-ups perfectly. The furniture line is flexible and can be adjusted to the changing needs of the family.
